I hereby make application and agree to install and maintain at my expense the necessary service line to the property owned by me connected to Cherokee Village Waterworks. I understand Cherokee Village Waterworks is not responsible for anything from the meter including damages incurred to the home or business. I understand I am responsible for all water charges when a leak has occurred from the meter to the house or business. The undersigned, is the registered owner of the property, agrees that he/she grants Cherokee Village Waterworks an easement for the water line over, under or across any real property bounding the planned service line for Cherokee Village Waterworks.

Should a property owner or tenant vacate premises, please promptly notify Cherokee Village Waterworks to collect your \$100.00 deposit. All final water bills & fees must be paid in full before a deposit will be refunded. Deposits from property owners are still held for security when a homeowner turns the property into a rental. If property owner chooses to have water bill sent directly to the tenant a deposit will be collected from the tenant. Deposit refund checks not cashed within 6 months will be void. Deposits not claimed within a year are sent to the State and must be collected from the State. Termination of service must be in writing.

UTILITY RELEASE

I hereby authorize any utility company (electric, gas, water, sewer, etc.) to supply upon request to Cherokee Village Waterworks all pertinent information concerning the above listed address and individuals. This information may be needed to verify and confirm information supplied by the above tenants. **A picture I.D. is required and the recorded deed for ownership of the property** before service can be connected. If rental property a **photo I.D.** is still required.

I certify that the above information is correct and I also verify that I do not owe any outstanding water or sewer bills to Cherokee Village Waterworks or other utility company. I realize that any incorrect or misrepresented information could be considered fraud and could result in subsequent disconnection of water service.
